

# Sanford School of Public Policy

## Faculty Guide 2023-2024

The Sanford School faculty have earned national and international recognition for excellence in research, policy engagement and teaching.

We have a diverse mix of academic scholars and professors of the practice whose practical experience in top leadership roles enhances the classroom experience. Sanford faculty are leaders in every part of policymaking as they train the next generation of policy leaders.

Faculty members collaborate across disciplines to explore questions relating to income inequality, obesity and hunger, energy policy, child neglect and abuse, access to health care, democratization, foreign policy and many other important global concerns.
