

# FACULTY GUIDE 2025-2026

Duke | SANFORD SCHOOL of  
**PUBLIC POLICY**

The Sanford School faculty are at the forefront of cutting-edge research and the translation of bold ideas into actionable policy. With expertise spanning nearly every dimension of public policy, from global security to local governance, from health equity to technology and ethics, our faculty represent the full breadth of policy scholarship worldwide.

Sanford faculty members are not only internationally recognized scholars and policy practitioners, they are also exceptional teachers. They bring both rigor and real-world insight into the classroom, while remaining deeply committed to the success and growth of their students.

Through collaboration across disciplines, they generate research that informs decisions, shapes debates, and drives solutions to the most pressing challenges of today and tomorrow. The Sanford School's mission to improve lives and strengthen communities rests firmly on the dedication and impact of its faculty.
